Man Killed When Car Plunges Off Grade At Donner

Two Companions Escape, Ride Car 150 Feet Over Bank

David Eugene Schlotz, 22, prominent Esparto youth, was fatally injured Saturday evening at 5:10 o'clock when the light sedan he was driving skidded out of control near the foot of Donner grade and overturned into the canyon below. Two companions, James Alexander and J. V. Mitchell, also of Esparto, escaped uninjured.

State Patrolman George Schrom, who investigated, said the vehicle had just passed another car, went off the left of the road and then skidded sideways before plunging down the grade on the right hand side. Schlotz either jumped or was thrown from the car. The other two young men stayed in the vehicle which went 150 feet down the grade.

Dr. L. D. Nelson, who was returning from a visit to a patient on Donner Summit, was among the first to reach the scene. A quick examination prompted him to order the victim rushed to Reno by the Truckee Ambulance. Schlotz expired at 2 a.m. Sunday from compound fractures of his skull, right arm and internal injuries.

The three young men were en route to Reno to attend the Mackay Day celebration and were driving a new car.

Schlotz was the son of Mr. and Mrs. David Schlotz of Esparto; grandson of Mrs. Sophia Schlotz of Woodland and Mr. and Mrs. E. E. Landis of Woodland. His parents and uncle, Harry Whitehouse of Woodland, came up Saturday night to be with him.

He was a member of the Veterans of Foreign Wars, Capay Lodge of Odd Fellows and St. John's Evangelical Church. Funeral services were held Tuesday at Woodland.

OLD IRON FIGURE FOUND IN HOUSE IS RELIC OF RAILS

Mrs. H. B. Fowler, who recently bought the house on West Main Street formerly owned by the late Mrs. Lotta Bryant, literally unearthed a relic of early days when she found a gnome-like colored iron figure, complete with old hat and trousers and about two feet high, under a coal pile. The relic was once used as a hitching post.

A scrap book containing accounts of the events of the day, poetry and the figure's history, was also found during the renovation of the building.

Horatio Gale, father of Mrs. Bryant, was presented with the statue by B. Winchester. Gale, a pioneer railroad engineer in this district, placed it on his engine, No. 157, then drawing passengers from Truckee to Sacramento.

In 1873 he assigned his engine complete with adornment to B. Kelly. During a run, the engine ran into a rock and the iron man was relegated to a Sacramento junk shop to be melted down.

A little girl of the family, apparently Mrs. Bryant, asked for its return and in 1876 it was placed in their Colfax garden. The Nevada County Narrow Gauge Railroad obtained permission to place it on their engine, then it went to the Blue Canyon home occupied by the Gales and was later loaned out to other individuals.

It remained the property of the family until the death of Mrs. Bryant in March, 1948.

Wm. G. Notley Dies In Nevada Accident

William G. Notley, 53, Reno club owner and well known here where he is related, died early last Thursday following an automobile accident five miles west of Reno on Highway 40.

Seriously injured in the same single-vehicle crash was Mrs. Marion Notley, 30, Reno. There were no witnesses to the accident which occurred about 5:25 in the morning.

Lester Felesina of Floriston and an unidentified truck driver, the first to reach the scene, immediately notified the Nevada authorities.

Party on Birthdate

Frankie Giovanni, son of Mr. and Mrs. Frank Giovanni, was feted on his 10th birthday, Wednesday, May 11, at a party given at the local baseball park.

Local Sites For Proposed New School Studied

Many Teachers Seeking Posts on Faculties, Loynd Says

After viewing nine suggested sites for the proposed new high school plant for the Tahoe-Truckee Unified School District, Charles Burke, state school planning commissioner, Gordon Stafford, architect, and Everett J. O'Rourke, district superintendent, Sunday narrowed the selection down to the vicinity of Truckee. The most acceptable site apparently is near the Truckee-Tahoe Wye west of here. Also being considered are sites on the Brockway cutoff and north on the Hobart Mills road.

A closer study of the terrain through contour maps and soil analysis will be made before any definite decision is reached.

Before the district is asked to support a bond issue for the construction of the school plant a decision will be made, W. A. Loynd, president of the board of trustees, declared. While this is not a necessary step, it is being taken so that when the issue is presented to the voters there can be no misunderstanding, Loynd said. A tract of at least 30 acres is required.

O'Rourke was here to interview teachers who have made application to teach during the next year. He took the applications for further study before making a decision. Loynd said that the local board has received nearly a score of applications from all over the country to teach in the new district schools, assuring the several schools of capable instructors.

O'Rourke plans to return next Wednesday to take over his duties as district superintendent.

In the meantime Stafford is proceeding with plans for the new school plant to be submitted to the local board for final approval, following which a bond election may be called to decide when the actual construction work can be started.

OES Chapter Meets Again Next Tuesday

Truckee Chapter No. 116, Order of Eastern Star, held its regular meeting on Tuesday, May 3. Guests of the evening were Wilma Lucas of Rose Chapter, Roseville, and Helen C. Stokes of Friendship Chapter, Lincoln.

The next meeting will be held May 17. Chairman of the refreshment committee is Elizabeth Bavier and members of this and other chapters are cordially invited to attend.

Mrs. Eaton Honored For Work With PTA

Mrs. Harry Eaton, immediate past president of the Truckee Parents and Teachers Association, was presented with gifts at the meeting of that organization held Friday evening and she in turn gave tokens of her appreciation for her co-workers of last year. Mrs. M. E. Brown presided at the largely attended affair. Mrs. Elden Tonini was program chairman for the musical variety which a large audience enjoyed.

Mrs. Donald Rich directed the local high school choir; Eleanor Dominguez gave a piano solo; the Accordion Capers were heard led by assistant instructor Clinton Block; Jack McGlade sang a solo and Mesdames J. R. Wolert and Ernest Dugan played piano duets; Donny Sites, a piano solo; Patricia Graddy, piano solo; and Mrs. Wolert and Mrs. Henry Loehr played piano and banjo selections.

Janice Grey and Barbara White added to the program with their acrobatic and ballet dancing.

Bakersfield Guest

Mr. and Mrs. Ed Jenkins are hosts to Mrs. M. Jenkins of Bakersfield, mother of Jenkins.

Improvements Made As Many Aid Local Park

Materials, Labor Donated As Work Progresses At Diamond

Work was progressing rapidly this week on improvements at the baseball field under the direction of Tom Dolley, field manager.

Tom Doherty, local building contractor now engaged in moving the Catholic Church and parsonage, together with a crew of carpenters and Father Jerry Boland, and men supplied by Jack Wolert were completing the bleachers.

Lumber for the stands was furnished free by Jerry Lewis of the Donner Trail Lumber Company and Charles Cross of the Truckee Tahoe Lumber Company. Bill Englehart and his crew are modernizing and redecorating the refreshment stand and members of the 20-30 Club were busy painting. New fences and wire screens have been installed.

Mike Korich, plumbing contractor and team manager, yesterday was busy installing drinking fountains and all in all Truckee will have a ball park unequalled in the circuit when the work is finally completed, Dolley declared.

NEW ROTARY CLUB IS INAUGURATED IN TAHOE REGION

KINGS BEACH—At a meeting Tuesday evening at The Gables steps were taken for the organization of another Rotary Club at Lake Tahoe to be known as the Rotary Club of Brockway. The new club is being sponsored by the North Tahoe Rotary Club and Chet Langenstein, a past president of the sponsor group, will be temporary president.

Further details of the organization will be published in next week's Sierra Sun.

Two Rail Workers Met, Crashed on Highway

Two Southern Pacific employees, Everesto Madrigal, 43, of Norden, and Amador Gonzales, 24, Truckee, escaped serious injuries when the fenders of their cars locked as Gonzales attempted to pass Madrigal near the quarantine station Sunday at 9:05 a.m.

Patrolman George Schrom, who cited Gonzales for driving on the wrong side of the road, said the two were evidently racing or jockeying for position when their fenders collided as both cars were going east at the time. The cars overturned and were wrecked.

Hospital Board to Meet With Government Men

State and federal officials are expected here today to approve the site selected for the proposed Tahoe Forest Hospital and to meet tonight with the board of directors and Architect George Sellen regarding building details. Charles Heller will preside at the meeting.

Immediate action for early construction is proposed and all possible speed is being made by the directors, Heller said.

Ken Foster Accepted Into 20-30 Club Here

Kenneth Foster of Truckee was accepted as a new member of the Truckee 20-30 Club at their meeting Wednesday night. Visiting 20-30'ian was Vic Baird of Reno. Plans were made for a delegation to the district convention at Lovelock May 14 and 15.

From South

Mr. and Mrs. Cecil Clepper are expecting Mrs. Merrill Quick of Los Angeles to be their guest this weekend. The women are sisters.

Hearing Tuesday Will Decide Lake Annex Proposal

Petitioners Ask Better Water Service For Donner Area

Next Tuesday, May 17, at 8 o'clock has been fixed as the time for the public hearing called by the board of directors of the Truckee Public Utility District to decide whether an election shall be called in the Donner Lake area for annexation to the local district.

All persons interested or affected by the proposed annexation have been notified to appear and show cause, if any, why the territory, embracing nearly all the property surrounding Donner Lake, should not be annexed.

The move is in accordance with an ordinance passed by the board of directors setting forth the reason for the annexation. It provides that utilities shall be extended to the petitioners only if the expense of installation and maintenance be financed by the new territory and will have no bearing, according to Manager C. Edmunds, upon the present district either through assessments, rates or in any other way.

The request for annexation was made, Edmunds said, to provide the territory with a water service, now held to be inadequate for the needs of the residents and for possible expansion of the area.

TRUCKEE BATHED IN CLOUDBURST THIS FORE-NOON

Just before noon today, Truckee and vicinity experienced a mild cloudburst which flooded streets, in some sections and raised havoc on the steeper slopes. The deluge was accompanied by a severe lightning storm which continued for an hour without letup.

No damage was immediately reported.

Alaska Film Showing At Meeting of Legion

Nominations for officers to be elected in June is on the agenda for the meeting of Truckee Post 439, American Legion, next Tuesday night. Plans will be made for Memorial Day services in Truckee.

Following the business session, the Army film on "Task Force Frigid" will be shown. This movie was made during the recent army exercises in Alaska in sub-zero temperatures.

Pythian Roll Call to Have Music Numbers

The public roll call ceremony, which will mark the 70th anniversary of Summit Lodge 54, Knights of Pythias, Friday night, May 20, will be highlighted by several musical numbers, according to Erving Waters, chancellor commander.

The traditional singing of America and God Bless America will be led by F. W. Gaiennie, accompanied by Mrs. W. M. Englehart at the piano. Miss Pat Graddy will favor with a piano solo and Miss Janice Grey will perform an acrobatic dance. The Frank Greco accordion ensemble will also play. Daryl Tonini of Reno, who drew much applause at last year's program, will again offer a violin solo, accompanied by Mrs. J. R. Wolert.

The lodge meets tomorrow night at IOOF to complete plans for the program, Waters states.

Attend Wedding

Mr. and Mrs. William Preston and sons were in San Francisco Saturday to attend the marriage of Preston's brother, James. The justweds were Truckee visitors Sunday. The bridegroom is a former local resident and attended school here before the war.

Sun Beams

by Walter M. Barrett

Whether you like baseball or not, you will enjoy the festivities being planned for Truckee's opening game at the local park here Sunday. The barbecue committee is preparing a meal, featuring barbecued steaks, which will start around noon. Local cooking experts have been solicited for home-made delicacies to round out a perfect meal and the proceeds will go to financing the team and improvements on the park. Nothing is being left undone to make the affair a complete and outstanding success. Immediately following the picnic barbecue, a brief ceremony will be held prior to the game between Placerville and Truckee and an afternoon of pleasure from start to finish is in the offing. Don't miss it if you like a good time.

Most civic and service organizations have high aims and accomplish much good through their organization and we believe that in sponsoring for deserving young students, the Tahoe-Sierra branch of the American Association of University Women is deserving of high praise and support. While membership is somewhat limited the group is sincere and works hard to accomplish its purpose. The fund raised annually is not large but provides a good start for two young people in the district who might otherwise be forced, because of a financial handicap, to stop in their educational advancement in a world where education is such a vital necessity.

BROWNIE TROOP MOVE STARTED FOR GIRLS HERE

Mrs. Roy Stallard of Donner Lake met on Tuesday with the girls of the Truckee Grammar School between the ages of 7 and 9 years of age and gave them applications to form and enter the Brownie Troop No. 1 of the Girl Scouts of America.

Mr. Stallard, who was assistant leader of a troop at Oakland before coming here, will be the leader of the local group and will be assisted by Miss Marie Fitzpatrick of Donner Summit.

On Tuesday afternoon, May 17, between the hour of 3:30 and 4:30 Mrs. Stallard will be at the school to give further information and collect the applications for joining. During the summer months the children and their leaders plan to meet in the Wyethia Club building.

Truckee Women Asked To Reno Floral Show

Mrs. N. F. Dolley announced this week that members of the Women's Wyethia Club have been invited to attend the annual spring flower show to be held in the California Building in Idlewild Park at Reno on May 21 and 22. The hours will be from 2 p.m. to 9 p.m. the first day and from noon until 7 p.m. on the second day.

All local women interested in entering exhibits or planning to attend are asked to contact Mrs. Dolley and have their entry in the building between the hours of 8 and 11 a.m. on the 21st.

Mrs. Dolley will conduct classes in floral arrangements in the local club on Friday, May 13, at 2 p.m. and again at 7 p.m. if there is enough interest shown in the project evidenced by calling her tomorrow morning. A tentative date on Friday, July 22, has been set for a flower show to be held in the Women's Wyethia Club.

Leaves Summit

Slim Maberry, popular Donner Summit ski instructor, left on Wednesday for Lassen National Park where he will be employed as a park ranger during the summer months.

Amelia Zorich Is Victim Of Long Illness At Reno

Truckee Native Taught In Nevada Schools After College

Funeral services were held on Saturday afternoon at the Ross-Burke chapel in Reno for Miss Amelia Zorich, 35, who died Friday at her home on East Taylor Street in Reno. Cremation followed at East Lawn in Sacramento.

Miss Zorich was a native and life-long resident of Truckee, daughter of the late Mr. and Mrs. Joseph Zorich, widely known residents of this town. She was born December 21, 1914 and attended the local schools before going to the University of Nevada. She graduated there with the class of 1936 and was a teacher in the school of Nevada until she was taken ill with a rare disease several years ago.

She was taken to all the nationally known hospitals and was attended by eminent physicians but her condition continued to grow worse and her passing ended years of suffering and blindness.

Both her father and mother died during her illness and recently she had made her home with a sister, Mrs. Stella Rockholm of Reno. Another sister, Mrs. Paul Seely lives at Modesto and a brother George (Bud) Zorich resides at Soda Springs.

The entire community extends sympathy to the remaining members of the well known family.

LEO CARDINAL TO WED NEVADAN IN JUNE CEREMONY

Miss Betty May Jackson of Battle Mountain, Nev., and Leo Cardinal of Lovelock, Nev., are receiving the felicitations of their local friends following the announcement of their betrothal on Sunday, May 8. A party was given in their honor in Reno that evening and the tentative date of their marriage was set for June 15, Cardinal's birthday.

The bride-elect is a cousin of C. E. Sullivan of Truckee and Cardinal, brother of Heslin Cardinal, is well known here where he lived for a number of years before going to the Nevada town where he is employed by a power company.

Musical Program At Wyethia Meet Friday

Mrs. Rufus Gregory presided at a brief business meeting which preceded the program presented for members and guests of the Wyethia Club on Friday, May 6.

Mrs. Donald Rich directed a choral group from the 5th and 6th grades and the accordion band composed of Truckee and Reno students also played several selections. Lee Rich and Irene Englehart gave piano solos and Janice Gray danced. All of the numbers were enthusiastically received. Mesdames Anton Mahne, Humbert Ciardella and James Thomas were tea hostesses. Celya Zahara of Redwood City will teach the making of ceramic dishes and figures under the auspices of the Wyethia Club, classes to begin the latter part of May. A small charge will be made for each person learning the art.

Meeting

Pythian Sisters Summit Temple 79 meets tonight at 8 p.m. Light refreshments will be served following the business session.

To Sacramento

Mr. and Mrs. Charles Beyer and family have moved to Sacramento where he will be employed by the Southern Pacific.

To Reno

Adolph Schmidt, resident of Truckee and Floriston for many years, has moved from Oakland to make his home in Reno.

Placerville Will Come For Tilt With Truckee

Both Teams Chalk Up First P-N Victories On Weekend

With a nice 22 to 11 win over the Roseville Athletic Club as a result of a ninth inning rally at Roseville Saturday night, the Truckee Mountaineers Sunday will face Placerville in the first home game of the Placer-Nevada League.

The opening home game will be preceded by a big barbecue starting at noon in which steaks with home-made salads, cakes and other dishes will be featured. The charge of \$1.25 per plate with a 50 cent plate for grammar school children will go into the coffers of the club to aid in purchasing necessities. Business Manager Dick Little said. Everyone is invited to come out, enjoy the barbecue picnic and then stay for the game with Placerville.

On the barbecue committee are Mrs. R. N. Little and Mrs. N. F. Dolley who are arranging for the food, Charlie Cozzi who will be chef and Little as general chairman. A group of other women will be on hand to assist in serving.

The game promises unusual interest in that both Truckee and Placerville have each lost two and won one game this season and will be fighting for a first division spot. Placerville won from Colfax Sunday 12 to 7 and the week before lost a 13-inning game to Auburn 10 to 8. Truckee lost that week to Roseville W.R. 10 to 3.

With the score at the end of the eighth inning 11 to 7 in favor of the Roseville Athletics Saturday night, Truckee batters came in for a bit of good luck and six hits, a few Roseville errors, a walk or two, resulted in 15 runs. Roseville used six pitchers to stop the slaughter.

LaTona on Mound

Ted LaTona was on the mound for Truckee for the first time. The balance of the team was pretty much in the same order they started the season, with Korich catching. The team shows considerable improvement over the beginning of the season with three games behind them and hours of hard practice.

Every Truckee player, except Gibby Williams, scored at least one hit, with Larry Baxter and Harvey Martin each collecting four. Martin hit one home run and a triple to lead his teammates at bat.

Korich announced his probable starting lineup as follows: Metcalf, 2b; Baxter, cf; Martin, lf; Curran, rf; Bernard, 3b; Lujan, ss; Stevens, 1b; Korich, c; LaTona, p. Bud Boucher of Kings Beach has been signed as a relief catcher, Korich said.

BARBECUE FOOD SHOULD BE IN BY TEN SUNDAY

Mrs. R. N. Little, active committee member preparing for the baseball barbecue at the Truckee ball park Sunday, asks that food donations which have been pledged be left at Goodfellow's Coffee Shop by 10 o'clock Sunday morning in event they are not called for or cannot be taken to the field prior to that time. Mrs. Little will collect the food and assist in having it ready for the barbecue at noon Sunday.

Small paper forks, spoons, plates and cups will be furnished but as steaks will be on the lunch menu it has been suggested that all those who wish to should take their metal forks and knives.

North Tahoe

by T. BURROUGHS
MURRAY, MOORE NUPTIALS
AT TAHOE VISTA

Last Saturday afternoon a simple but beautiful wedding took place at the home of Mr. and Mrs. P. R. Murray of Tahoe Estates at Tahoe Vista when Alma C. Murray of Alameda, a niece of Murray, and Clifford Moore of Oakland were united. The living room was decorated with greenery and calla lilies, pale pink stock, roses and sweet peas from the garden of the bride's father. Promptly at two o'clock Mrs. Murray sang "I Love You Truly" and "O Promise Me". Following this, the bride carrying a Bible and an orchid bouquet, accompanied by her father, came down the stairs to the strains of Lohengrin, preceded by her maid of honor, Greta Welsche of Chico. They were met by the groom and his best man, Jack W. Murray, the bride's brother, and Rev. Oscar Swenson, pastor of Wee Kirk of the Pines, who performed the ceremony.

White candles burning in a pair of brass candelabra were the only ornaments on the mantel. The bride and her maid of honor wore navy blue taffeta dresses. After the ceremony the

newly married couple received the best wishes and congratulations of the guests who were all relatives. Following this, a buffet dinner was served, the bride and groom cutting the wedding cake in the traditional fashion. Soon afterward the couple departed on their honeymoon amid a shower of rice. They will stop at Bishop to see the Cashbaugh brothers, uncles of the bride who are cattle raisers there, and from there they will go to Yosemite. The Moores will make their home in the Ferndale district of Alameda.

HELP IS NEEDED TO MOVE BUILDING FOR CHURCH

A meeting of the church school officers and teachers and the officers of the Wee Kirk of the Pines was held at the home of Mr. and Mrs. P. R. Murray on the evening of April 29. The program for the coming quarter was outlined by the teachers and plans were made for a special program to be held on Children's Day, the second Sunday in June. Church officers discussed ways and means of getting the church building moved to Kings' Beach from Reno. This will be a great undertaking and all help on moving and reassembling the building will be greatly appreciated.

Church school and Sunday worship hours reverted to the old schedule on May 8. Bible study classes of the Wee Kirk of the Pines met at the home of Mrs. Gilda Tuesday afternoon, May 3. Class is conducted by Mrs. Judy and everyone is welcome.

The following men went into Reno to help on church building: Messrs. Van Uden, Neff, Glunt, Barrett, Abbott, Ridsen and Rev. Swenson. We are sorry about Barrett's accident and hope it has not caused him too much pain. Mrs. Van Hoosier, on behalf of those most interested in the transfer of the church building, says "Your help was greatly appreciated, fellows, and thank you. It's a big job and we need all the help we can get."

Next Saturday, May 14, these same men will again go to Reno for the removal of the building to Kings' Beach. Volunteers of men and trucks will be welcomed.

ROAD DAY AT KINGS BEACH

Road Day in Kings' Beach was a huge success and is expected to be adopted as an annual event. How those school kids worked! Eleven of these fine future citizens turned out to help clean up our country side. They included Dicky Road, Kenneth Lavery, David Miles, Bill Port,

Jack, Hugh and Donald VanHoosier, Nolan Little, Mike English, Barry Graton and Jerry Thompson. Mr. and Mrs. Paul Koltas of the Pine Pantry treated the boys to double deckers and Constable Lavery gave each a ticket to the show. Mrs. H. O. Comstock furnished refreshments which Mrs. A. E. Abbott and Ruth Lavery served. Noel Hulbert supplied two trucks and helped with the removal of about 23 loads of trash as well as permitted free dumping.

The North Tahoe Women's Club wishes to thank all who participated in the Road Day clean up last Saturday.

TAHOE CHAMBER MEETING

A general meeting of the Lake Tahoe Chamber of Commerce was held at Ta-Neva-Ho last Thursday evening with guest speakers from Carson City, Reno and Sacramento as well as the northern representative of the state chamber of commerce who urged all businesses to get advertising matter out earlier. John Rayburn gave the use of Ta-Neva-Ho and its facilities for the meeting. Refreshments were served.

VFW POPPY SALE SOON

The VFW Auxiliary will sell Buddy Poppies May 27 and 28. These poppies are made by disabled veterans and all proceeds from their sale go to their hospitals for their personal needs. Don't you want a poppy, Buddy?

The VFW's are having a joint meeting and installation of officers in Sacramento May 15. Last year 42 sections took part in the joint session while it is expected that over 50 will participate this year. All Veterans of Foreign Wars are asked to attend.

Kay Wing reports that the net profit on the last VFW dance was \$36.84 instead of \$18 as reported last week.

JOTTINGS AT RANDOM

Monty and Mildred Beasley are back from down south where they report having had a wonderful time while a lot of us battled with that snow shovel.

Douglas Miles, son of Florence and Mulford, left this week from Reno air base for New York where he will be transferred to an embarkation center in New Jersey. From there he goes to Germany for two years. Doug was at home with his family over the weekend. Florence took him to Reno, staying until the plane took off. Good luck, Doug.

Carson Valley Softball Association will hold another meeting at Hunter's Lodge in Carson City

Friday evening, May 13. More details of the league will be available soon.

Next meeting of Kings' Beach PTA will be at the school at 8 p.m. May 19. Mrs. A. E. Abbott is in charge of the program and Tom Lucas, trustee of the Tahoe Truckee Unified School District, will speak.

The E. S. VanUdens entertained his sister Mrs. Clara Ailes of Westminster, Calif., over the weekend.

Mr. and Mrs. E. J. Stokes enjoyed the company of their daughters Mrs. Margaret Sales and Miss JoAnn Stokes over the weekend. Mrs. Sales returned to Sacramento Sunday while JoAnn will remain until Thursday.

Charles Perkins of Loyalton, with his two sons, have been visiting with Kay and Otis Wing. Gary Wing went home with them for a two weeks' visit.

Ace Abbott caught that big fish you saw at Papp Brooks' place last Monday. Burroughs took Ace to his private fishing hole and Ace brought in a mackinaw measuring 33 inches and weighing 12½ pounds.

Isn't that an attractive sign flashing for Jones' Cottages? Brightens up our Tahoe Vista section. The Dunes used fine taste in sign arrangement too. Silver Sands Resort looks nice in its new dress of grey with yellow trim. That new addition on Wing's Chateau is about finished.

Three rooms downstairs and a large living room upstairs. Now Otis can go back to work at the Sierra Markets where he is in partnership with Ted Riddle.

George Meisenheimer with his two daughters returned from a visit with Ruby and John Clackett at Benicia. Ruby is another daughter and the mother of a fine little girl now two weeks old. All of Ruby's friends will be glad to know she is improving nicely. She and her husband will return to Tahoe Vista about the middle of June. Little Vicki went home to her parents, Art and Helen Beuhler, with her grandfather Meisenheimer. Art, who has been under a doctor's care for a long time, is reported to be doing fine. Mae Meisenheimer, his mother-in-law, says he is working all the time at home or on the job.

Blanche Peterson and daughter Norma were visitors at the Meisenheimer home last Thursday. Paul and Vivian Webb with their two children surprised Mae Meisenheimer with a visit recently. Webb is postmaster at San Diego. Who wouldn't be surprised? Mae hadn't seen her brother in seven years.

Orlan Sanders' father, Joseph Sanders, was up over the weekend from Sacramento. Gene and Frances Thompkins are the proud parents of a new

Post Office at Tahoe Summer Schedule Is Now In Effect

TAHOE—Tahoe residents are pleased that Sunday mail is again being distributed and dispatched. Acting Postmaster Oliver Corona says that Sunday mail distribution is in effect from May 1 to October 1, with the office open each morning at 8 a.m., except Sunday and holidays. Outgoing mail must be in the post office by 5:30 p.m. to insure dispatching that day.

Beginning June 1, the post office will remain open all day Saturday instead of the present half day and will remain on this schedule until after Labor Day.

Water Diversions OK'd At South End Tahoe

SACRAMENTO—(W.N.S.)—The state division of water resources announces the following permits for water diversion had been granted in El Dorado County:

W. T. Burke, Tahoe Valley, for 1000 gallons per day for domestic purposes, estimated cost, \$500.

U.S. El Dorado National Forest for 300 gallons per day from Pyramid Creek for domestic purposes, estimated cost \$200.

Back at Beach—

Mr. and Mrs. Paul Koltas have reopened their Pine Pantry at Kings' Beach after spending some time at West Sacramento.

son born at Carson City Hospital at 8 a.m. Tuesday morning, May 10. Mother and son are reported doing fine.

North Tahoe Community and Sports Inc. held its regular meeting at Carpenters' Hall last Friday evening. Members of this group are vitally interested in youth entertainment and civic improvements. Let's all work for a bigger and better community and lots of wholesome recreation for our youngsters.

Your regular correspondent, Dot O'Brien, is on a much deserved vacation. She is visiting relatives and studying youth centers.

Mr. and Mrs. Howard Royston entertained Monday evening at a baked-ham dinner. Among those present for that delicious repast were Mr. and Mrs. Richard Lavery and son Kenneth, Mr. and Mrs. Snowden Burch, Mr. and Mrs. Hobert Stephen of Holiday Inn came in later, adding to the enjoyment of the evening.

Mr. and Mrs. Henry Tucker, parents of Alice Sorenson, are home again after several weeks in Paradise. They've both been quite ill but are much improved and glad to be home.

Steve Riolo of Riolo Inn and Miss Helen Redifer of Sacramento were married in Sacramento on May 1. After a short honeymoon trip, the couple will be at home at Riolo Inn. They expect to help Mama and Papa Riolo with the operation of the inn this summer.

Mr. and Mrs. Christensen of Houck's Beachside Cottages will soon be open for the season. We hear they have an adorable son now about two months old.

I've lived in some nice communities in my life time. Of all of them I could find no place or any group of people nicer than at North Tahoe. Thank you one and all for those cheerful cards, visits and good deeds. A twisted knee is not a pleasant thing to endure but it has given me a clearer insight into the goodness of my fellowman.

Mr. and Mrs. Earl Ballard are at home after spending the winter in southern California. Little Earl is quite proud of his new baby sister and no wonder, little Alice is a sister for any brother to be proud of.

Truckee, Tahoe Scouts Make Ready For Camporee May 21-22

Final plans for the Annual Camporee of the Scouts of the Tahoe Area Council, to be held on May 21 and 22, have been made, according to Scout Executive Raymond J. Ewan of Auburn.

Banner Mountain Lookout in western Nevada County has been selected as the place for the Camporee this year. Boy Scouts from Truckee, Tahoe City, Roseville, Lincoln, Penryn, Newcastle, Ophir, Auburn, Forest Hill, Colfax, Applegate, Weiman, Downieville, Alleghany, Grass Valley and Nevada City will participate in this annual event, conducted by the camping and activities committee of the Tahoe Area Council under the direction of Harry D. Eslick, chairman.

The personnel of the Tahoe National Forest will again conduct the judging of the Scout troops under the direction of R. V. Conrad, chief judge. Judging entails the inspection of uniforms, packs and equipment. The preparation of patrol campsites, cooking, health and safety and morale will also be judged.

A mile hike in full equipment by each patrol up to the lookout area will be a part of the program to be judged.

The selection of the lookout area was made by the camping and activities committee in response to requests by scoutmasters to provide a Camporee offering a more "wilderness type of trek" on a site readily accessible to all communities of the Tahoe Area Council.

The Camporee will provide a practical demonstration of camping in comfort with a minimum of equipment by the various troops of the two and a half counties area council.

Tahoe City Water Rate Raise is Announced

TAHOE—C. W. Vernon announced that in accordance with approval voiced at a meeting last fall, residents of the Tahoe City Public Utility District will pay for residential service \$25 a year for water instead of \$20. The money is needed to make repairs to the present water system.

A representative group of Tahoe City residents approved the raise rates in preference to the sale of valuable timber on the public utility property near here.

Back at Homewood—

The M. J. Fleury family are opening their Homewood business again following several months spent in North Sacramento.

A single gold pocket near Sonora yielded \$360,000 during the Gold Rush days.

WHILE THE COAST SLEEPS

Hundreds of telephone people in the West keep night patrol to help meet emergencies and keep service reliable

2. One important night-time job is done by this electronic tester. It checks lines to make sure they're in good shape. At the same time, other telephone men are vacuum cleaning and inspecting sensitive switching equipment... you might say it's stopping trouble before it starts. And night is the best time to do it, while most telephone users are sleeping.

4. You can help yourself get the most from your telephone... a servant that is constantly growing in value. You can do it by using the telephone in the most efficient way: being sure of the right number before you call... giving the called person plenty of time to get to the telephone... spacing your calls so others may get a call through to you.

The Pacific Telephone and Telegraph Company

Your telephone is one of today's biggest bargains

1. Darkness can't stop these telephone men as they begin an important emergency cable repair at night. Fortunately, these emergencies are not common... usually can be repaired in daylight. But, up and down the Coast, other telephone people burn midnight oil regularly... so your telephone will work for you when you want it.

3. In the quiet hours of the night operators handle relatively few calls... but many of them are vitally important. Repairmen are on call for service on important lines... doctors, hospitals and the like. Garagemen check and equip trucks for the next day's installation rounds. Building service workers make offices spic and span... all a part of providing reliable service to you.

Outdoor Chapel Scene Of Nuptial Rites On Sunday Afternoon

TAHOE—The first wedding of the 1949 season in the outdoor Chapel of the Pines near Tahoe Tavern Sunday, May 8, at 3:00 p.m. united Miss Bette Wheat, daughter of Mr. and Mrs. Carl O. Wheat of Reno and Tahoe, to Jack Stranathan, son of Mr. and Mrs. J. W. Stranathan of Trail's End near Colfax.

As the bride, carrying a bouquet of white carnations and bouvardia, walked to the altar with her father, little Karen Henry, niece of the bride, in white organdie, led the way down the aisle strewn rose petals while her brother, Gary, carried the wedding ring on a white satin pillow. The long sweep of the white satin wedding gown, gathered below the bodice waist, and the long, white veil trailed softly over the pebbles only recently freed of winter snow, while the bridesmaid, Miss Betty Bell of Auburn, in pale blue satin and net gown, walked behind the flower girl. As the recorded wedding march rang out, the more than 100 guests rose from the rustic benches of the outdoor chapel.

Although the day had dawned sunny, the skies at three o'clock were overcast and scattered snow flakes and raindrops fell as the ceremony proceeded. The groom and his best man, Howard Lage of Sacramento, waited in the gray rock chancel with Rev. Max Christianson of Nevada City who performed the rites. Native pine boughs and cones and a large vase of purple lilacs lent a festive air and lighted candles and white stock and bouvardia adorned the altar.

At the conclusion of the ceremony the newlyweds and their guests assembled in the nearby indoor Chapel of St. Nicholas where a reception was held. A beautiful three-tiered wedding cake, topped with a tiny bride and groom, was cut by the just weds and cake and punch enjoyed by all present. Numerous lovely wedding gifts were piled high on the tables.

The newlyweds started their honeymoon as guests at Nyack Lodge and will make their home at Trail's End, where the groom is employed.

A dinner party was given in honor of the bride-elect at the home of Mr. and Mrs. A. M. Henry of Tahoe City last Saturday night. Guests included Mr.

Gilbert, Sullivan Show To Benefit Fund for A.A.U.W. Scholarships

TAHOE—The Mikado, in Technicolor, will be shown at the Brockway Theatre by members of the Tahoe-Sierra branch of the American Association of University Women, according to Mrs. Bliss Hinkle, president. The date is Tuesday, May 17, and two shows will be held—at 7 and 9 p.m.

This is the delightful musical comedy by Gilbert and Sullivan which stars Kenny Baker and D'Oyly Carte Company and which has been a perpetual favorite through the years. Young and old alike will enjoy the delightful music and comedy.

Tickets will be on sale from members of the committee or at the box office on May 17. Proceeds will go into the scholarship fund for 1949 that the local A.A.U.W. is raising to be bestowed upon some worthy student of the Tahoe-Truckee district.

Last year's recipients of the scholarships were Ramona Robertson of Tahoe City, now a student at University of California at Berkeley, and Barbara O'Brien of Kings Beach, now attending Humboldt State College at Arcata.

Anyone wishing to make a donation to the fund may mail their check to Mrs. Bliss Hinkle at Tahoe and any amount will be greatly appreciated.

Preliminaries Begun for Tahoe Vets' Building

TAHOE—Commander Al Randolph of Tahoe American Legion Post 718, accompanied by Charles and Oliver Henrikson, went to Auburn last week to talk with the county supervisors regarding the possibility of erecting a veterans' memorial building on the Tahoe Commons.

The sum of \$35,000 was reported as available for the purpose after the next fiscal period budget is made up.

A building committee consisting of Randolph, Al Henry Jr., Basil Kehoe Jr., Charles Henrikson and Bill Becholt was instructed to contact Norman Mayfield, local building contractor, to draw up plans and estimates. Several sites were to be selected on the commons to be presented for approval to the people of Tahoe City who must sign a petition giving majority approval to the project before the supervisors can act upon it.

Charles Henrikson was appointed to represent Post 718 on the Placer County Advisory Council at Auburn.

Summer Crews Arriving At Tahoe Phone Office

TAHOE—The Tahoe City office of the Pacific Telephone and Telegraph Company will be under the supervision of Joanne Windsor, chief operator, of Reno for the summer. Mrs. Dot Dempsey, who had charge during the winter, will continue as a member of the summer staff but will move with her family to their Lake Forest home.

Present crew members are Fleurette Rosenblatt, Ruth Fuson, Gloria Ferris and Viola Petrie.

Entertain Relatives—

Mr. and Mrs. Theodore Schluefer of Tahoe Park entertained for a week her brother and sister-in-law, Mr. and Mrs. Rhen Wilson of Oakdale, who left for home Monday.

Returning to Tahoe—

The Doug Smiths were at Tahoe from Auburn last weekend, preparing to move back for the summer on Tuesday, May 10.

Tahoe Lake School News Notes

Barbara and Robert Johnson have returned to classes at Tahoe Lake School after having spent part of the winter and spring with their parents in Pasadena. They are residents of Tahoe Pines.

John Moore returned to the 8th grade from Reno last week.

Mr. and Mrs. C. A. Tollefson were visitors at Tahoe Lake School last week where they gave an account of how their son Terry, seriously injured in a skiing accident at Sun Valley, is getting along. He must remain indefinitely at Sun Valley Hospital.

Gaylord Summers, who suffered injuries to his left hand last week when a dynamite cap he had in his hand exploded, is reported much improved. The doctor believes he will recover full use of the hand.

Steve Johnson has returned to third grade classes following a vacation trip through southern California and Mexico with parents, Mr. and Mrs. A. C. Johnson. He brought home many lovely souvenirs and told his classmates many of his exciting experiences.

Down South—

George Taft of Tahoe Vista is now in San Luis Obispo.

Summit Scene

by FRAN COUILLARD

Don't know whether it is best to stay home long enough to write Summit Scene or go to all the parties, meeting and wingdings so that one could have something to write about.

Last week our deadline occurred in the middle of Ricky Misener's second birthday party and we were loathe to leave. Rick

sat at the head of the table in all his two-year-old dignity atop two pillows and conducted the role of host as he waved his spoon. Garbed in a red sailor suit, he welcomed all his friends from behind a birthday cake as big as himself. The center of the table was the base of operations for a red and white May pole which looked like a huge candy stick. The poles that hold up the roof of Donner Summit Lodge club rooms were also twined to

resemble huge candy canes. Eighteen tots sat around the table, some being fed by their mothers. Others managed to hit their mouths by themselves. Wanda Misener, Rick's ma, saw to it that a small tot and then a larger youngster were alternated around the festive board which took a little from the confusion.

Next Saturday Miss Starr Walton entertains her friends at the Chuck Wagon where she throws another party for her seventh birthday so we'll have another mountain wing ding to report next week.

Luncheon was served at the Soda Springs Hotel last Saturday afternoon to mountain members of the winter sports committee as they honored Jerry Carpenter, winter sports director of the state chamber of commerce. He is covering California in a winter sports survey comparable to that made in 1941. Fifteen members of the committee pledged themselves to taking the survey for the area so we still have the winter's unfinished business ahead of us.

The Sportsmen met at Beacon Hill Lodge last Tuesday evening with President Parley Merrill in the chair. Next year's program was put in the hands of Max Williamson who will pick his own committee to make up a prospectus. D. A. Hansen of Rainbow Tavern will place a rustic sign near the Rainbow Trout Pool which was donated to the Sportsmen for the storage of trout last year. 17,000 of these fingerlings have withstood the rigors of winter and will be planted in the Lola Montez Lakes the latter part of July. Discussions as to the poisoning of other accessible lakes in the area were engaged in and an enthusiastic group of mountain sportsmen look forward to an outing such as was enjoyed for three days last year when the aforementioned Lola Montez Lakes were poisoned.

A Donner Trail meeting was held at Rancho Sierra at Emigrant Gap on the 28th, President Bill Rutherford presiding. Members of the winter sports com-

mittee who accomplished such a good job in their two months of operation this season were placed on the board of directors. Reorganization plans and a prospectus for this year's work will be undertaken as soon as financial statements and audits are complete. To facilitate this, Carl Widing, Ernie Nordstrom and Charles Vind were made an auditing committee. About thirty attended.

Mr. and Mrs. James Horak took Johnnie to Sacramento on Mother's Day where he was Christened along with two of his cousins.

Helmer and Helen Bergman are expected back on the mountain from their trip to Watsonville where her father, Doctor Watters, recently suffered a stroke. Dr. Watters, well known in this area, is reported rapidly on the mend.

Bill Rutherford's 80-year-old mother, who has also been confined to her bed for the past month, shows remarkable vitality for one of her years and is recuperating rapidly.

Peg Travis and Rita Vail took off in the Vails' new Pontiac for San Jose and a few days of well earned vacation.

The boys on the mountain who are Rotary member are getting ready for the Elko Rotary district conference May 15 thru 17. George Fraley, Jim Sherritt, Art Couillard, Virgil Misener, Virgil Jones and Ernie Tschopp are all looking forward to a swell trip.

We see the treasure hunters getting ready to brave the spring mud on the various ski hills. We think it is a little sloppy as yet even though we picked up a mud caked buck and Art Couillard picked up a couple of them. One mountain gal claims \$1.70 so far so pickings haven't been too good as yet. Think they should put up a rope which could be officially cut when treasure hunting is officially open to the public.

Saw several of the highway maintenance boys at Donner Summit Lodge on last Thursday evening for their regular CSEA banquet.

The official opening of the Donner Trail Elementary School will take place early in June.

On the last scant snow of the season, the Marin Skate and Ski Club had their finals on the Sugar Bowl Hill last Saturday with Phil Sullivan and Ellie Morgan getting their names on the perpetual trophy. They both confess to finally having enough skiing for one year.

Wanda and Virg Misener pack their belongings preparatory to a Salt Lake City sojourn for a week or two.

Bud Zorich gets ready to leave for San Francisco where he will speak to the Emporium employees who are anxious to form a ski club.

The Donner Skiland folders made a big impression at the Travel Show at the Civic Auditorium in San Francisco.

Well, it looks as though skiing

Peavine Transfer Sale is Before Commission

SAN FRANCISCO — (WNS)— Sale of the Peavine Transfer Company, owned by Joseph M. Larralde of Reno to Roy J. Christensen and Gerald Underwood, partners, also of Reno, is contemplated in an application filed here with the California Public Utilities Commission.

The company is an automobile freight line which transports general commodities between Truckee and Tahoe Valley and

intermediate points and between Truckee and Brockway via Tahoe City and intermediate points.

The proposed purchasers will operate under the name of Peavine Transfer and Warehouse Company.

The commission is asked in the application to approve the transfer of Larralde's operating certificate.

The application says that the consideration to be paid in the sale is \$30,000, of which \$5500 represents the value of the equipment and \$24,500 the value of operating rights.

SCHOOLS GET 46 PER CENT OF TAXES ON PROPERTY

School district taxes make up 46 per cent of the levy on property in Nevada County this year, with county taxes taking 46 per cent, city levies 7 per cent and levies for special districts one per cent, California Taxpayers' Association reports.

IN THE JUSTICE'S COURT OF MEADOW LAKE TOWNSHIP, COUNTY OF NEVADA, STATE OF CALIFORNIA. Case No. 197 JACQUES MORVAY, Plaintiff, vs. CHARLES BRUNK, Defendant. SUMMONS

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO CHARLES BRUNK, DEFENDANT:

The above named plaintiff having brought action against you in the Justice's Court of MEADOW LAKE Township, in the County of Nevada, State of California, held at Truckee, California, by filing a complaint therein;

YOU ARE HEREBY DIRECTED to appear and answer the said complaint within ten days after the service on you of this summons, if served within the county in which this action is brought; or within thirty days, if served elsewhere.

And you are hereby notified that unless you so appear and answer as above required, the plaintiff will take judgment for any money or damages demanded in the complaint, as arising upon contract, or will apply to the court for any other relief demanded in the complaint.

GIVEN under my hand and the seal of the Justice's Court of MEADOW LAKE Township, County of Nevada, State of California, this 23rd day of February, 1949. [s] R. N. LITTLE

SALE OF TIMBER

Approximately 3,798,000 board feet, 26 inches and above in diameter at breast height, just north of Donner Lake near U. S. Highway 40 and described as follows: W 1/4, S 1/4 SE 1/4, S 1/4 NW 1/4 SE 1/4, NE 1/4 NW 1/4 SE 1/4 of Section 11, Township 17 North and Range 15 East, containing approximately 440 acres of which approximately 248 acres are in timber.

A cruise estimate of the timber shows the following approximate net board foot volumes: Jeffrey pine, 2,536,000; white fir, 1,092,000; incense cedar, 125,000; and red fir, 45,000, or a total of 3,798,000. The following deductions were made from the gross scale: Jeffrey pine, 10%; white fir, 20%; incense cedar, 30%; and red fir, 15%.

The minimum acceptable stumpage rate per thousand board feet is \$8.50, or a total minimum sale price of \$32,283.00.

Sealed bids will be accepted until May 23rd at 10:00 a.m. at Devlin & Devlin & Diepenbrock, 1212 California State Life Building, Sacramento 14, California, where they will be opened in the presence of those bidders who may attend. Bids must be accompanied with a ten percent deposit. Personal checks are not acceptable. The ten percent deposits of unsuccessful bidders will be returned after the award is made. The ten percent deposit of the successful bidder will hold the timber for one year from the date of the award; an additional ten percent deposit at the end of the first year will hold the timber for an additional two years, but the sale must be completed within three years from the date of the award.

The successful bidder will be required to furnish a performance bond in an amount equal to ten per cent of the total sale price and sign a timber sale agreement. The performance bond may be cash or a corporate surety bond and is required to insure the carrying out of the terms of the timber sale agreement. It will be returned when the sale is completed.

Mr. Myron S. Wall Jr., Consulting Forester, 4612 Fegan Way, Sacramento, California, has been appointed agent to handle all phases of the timber sale. Copies of the timber sale agreement may be procured from him; also, the cruise, which was made by him, may be viewed at his home in Sacramento by appointment.

A copy of this timber advertisement will constitute a part of the timber sale agreement which the successful bidder will be required to sign. The right is reserved to reject any or all bids. The owners will consider offers to buy the timber for cash at a discount under above minimum installment prices.

Trans-Nation Railroad Is Eighty Years Old

The first transcontinental railroad was 80 years old on May 10, and the birthday of train travel across the nation was observed that day with civic ceremonies in Sacramento and Ogden, cities which were the initial terminals for the western portion of the pioneer line.

As birthplace of the Central Pacific Railroad (now Southern Pacific), which built eastward over the Sierra and across Nevada into Utah, Sacramento staged a program honoring Theodore D. Judah, the young engineer who surveyed the route and brought into the project the famed "Big Four", Stanford, Huntington, Crocker and Hopkins.

Judah's home town, Bridgeport, Conn., shipped to the Sacramento chamber of commerce a choice rose bush which was planted beside the Judah monument in the railroad station park there and a

Tahoe, Summit Voters to Mark Tax Ballots

On Friday, May 20, voters in eastern Placer County will go to the polls for the last time as part of the Placer Union High School District to ballot on a proposed 25 cents per \$100 tax increase for expanding facilities at the Auburn plant. While the votes cast in the Donner Trail, Kings Beach and Tahoe Lake school districts will be counted in the total, these areas will not be subject to the tax since after July 1 they will become a part of the new Tahoe Truckee Unified School District.

Polls will be open in these three schools from noon to 7:30

p.m. Members of the election boards are: Lola Schull, Lydia Crampton and Irene Goicoechea at Donner Trail; Alice Sorenson, Dorothy O'Brien and Winifred Hall at Kings Beach; Marie Henry, Marion Stuart and Beatrice Sturgis at Tahoe Lake.

In the county seat, an intensive campaign is being conducted to impress the voters with the need for the added facilities which would be made possible by the tax rate increase. A special movie has been made entitled Placer's Growing Pains and is being shown to various organizations with accompanying talks by faculty members and students.

Harold Chastain, district superintendent, has listed the Placer County Taxpayers Association, the PTA, the Auburn Chamber of Commerce and the Reserve Officers Association of Placer County as among those on record favoring the tax boost.

DONNER UTILITY LOAN VALIDATED BY COURT

NEVADA CITY— Superior Judge James Snell on Wednesday, May 4, validated the Donner Summit Public Utility District resolution to seek a \$2,000 loan.

The judgment permits the district to incur the indebtedness in accordance with a resolution adopted by the board of directors on February 23.

It was Gold Spike Day in Ogden on Tuesday, with that city commemorating the historic ceremony at Promontory, Utah, on May 10, 1869, when the last spike was driven linking the rails that spanned the continent. More than 15,000 schoolchildren paraded and a grand ball climaxed the day's program.

Tahoe Letter

FROM SWANEE

Tahoe, Calif., May 9

Dear Tahoeites:

Almost the entire town turned out for the Bette Wheat-Jack Stranathan wedding Sunday and it was one of the prettiest ever staged at Tahoe. Snow and rain threatened and a little of both fell during the ceremony but the bride and her bridesmaid braved the chilly temperatures and grey skies to carry on. Today a thunderstorm struck the area during the afternoon and heavy showers fell. Looks like typical spring weather has arrived at Tahoe.

Went to Reno for two days last week and it was a thrilling sight to note the yellow wyethia,

purple lupin and pink wild heather blooming abundantly in Nevada. Here in Tahoe yellow daffodils are everywhere and in the meadows between Tahoe and Truckee the tiny yellow buttercups are painting the landscape with the touch of spring.

From now on the Truckee and Tahoe region can look forward to increased activity from the Squaw Valley Development Co. at their proposed new ski resort site. Wayne Poulsen, president of the company, came in today and Bob Thomas, road construction engineer, is back at the lake. The latter will start to work at once on the upper bridge to Squaw Valley which is not yet completed. When it is finished, the task of moving the

parts of the huge ski lift into the valley will be started. Actual work on the lift will begin within the next few weeks according to present plans. Arriving on May 11 is Paul Avery who will serve as engineer for the lodge and overseer of the construction work. The terrific publicity campaign which will be unleashed in the very near future in the name of the Squaw Valley Development will tell the world about the glorious attributes of our mountain wonderland which we who live here the year around are wont to minimize because of our proximity.

Because of the general interest displayed in the recent misfortune of Lake Tahoe Ski Club's Terry Tollerfson at Sun Valley, I'm going to pass along the information which his mother gave me last week when I talked with her. When Terry struck the tree during the giant slalom run it seems both ends of the bone in his left thigh were shattered and on one side four inches of half the width of the bone was destroyed. A silver plate has been inserted and it is being held with six screws. It may take months for the bone to fill in but when it does these will be removed and his doctor, Dr. Mortiz, noted bone specialist at Sun Valley hospital, believes Terry will walk again without lameness and may even continue with his brilliant skiing career. It will be at least six months, according to present calculations, before he will walk again. X-rays are being taken constantly to watch the growth of the bone and while Terry must lie flat on his back he is cheerful most of the time. Only now is the leg beginning to heal and the cast has been removed and he has been placed in traction. His mom asks that the prayers so generously offered during his crisis be continued until he is completely out of danger. His parents are returning to his bedside following a week's visit at Big Chief and their home.

Veterans of this area are again reminded that Assessor Lou Mohan or a qualified deputy will be at the Tahoe Novelty Shop in Tahoe City on May 26 and at the Tahoe Sportsmen at Kings Beach on May 27 for filing of Veterans tax exemption claims. Those taking advantage of this service will be saved a trip to Auburn later.

Mrs. Ray Lewis of Grove St. is a patient at Dr. John Keys' new clinic at Tahoe Vista. She was taken ill on Sunday and must remain for for several days as a patient.

Oliver Corona, acting postmaster of Tahoe, received a letter this week from Washington, D.C., approving the enlargement of the post office space and a raise in rental. Five hundred square feet will be added in what is now the library section of the Community Building and 215 lock boxes will be installed to meet the need for additional space. Martin Spitsen will begin work next week on the renovation of the building. On Tuesday evening members of the Community Center, of which A. M.

Delegation from Lake Presents Requests Before County Board

TAHOE—C. W. Vernon, E. H. Pomin and Charles Cross of Tahoe City went before the Placer County board of supervisors on Wednesday of last week in Auburn to make three requests.

The first was to ask that the Tahoe Commons be placed under the jurisdiction of the Tahoe City Public Utility District which desires to maintain and improve the grounds of the commons along the lakeshore. The supervisors passed a resolution granting this request. In the past work has been on a voluntary basis.

Request was also made for a new rotary plow for use in the Tahoe area on county roads which must be kept open during the winter. It was pointed out that the plows sent to Tahoe last winter were in the repair shop much of the time and travel was delayed. Traffic has continued to increase throughout the past few years in this region in the winter months and better equipment to keep the roads open is a primary requisite. It is improbable that a new plow can be purchased due to depleted road funds but Supervisor Jack McFadden of this district promised that every consideration will be given to this area in providing improved equipment for next winter.

The third request was for aid in relocating the Tahoe public library which is the Tahoe Community building ground floor. This space is needed for an expansion of the post office but no other local site is available to which to move the library.

Congers Back at Tahoe, Prepare for Opening

TAHOE—Mr. and Mrs. W. C. Conger are now back at Tahoe City after spending the winter at Burbank. They are busy preparing to open their popular establishment, Conger's Food, "at the big tree" in Tahoe City. May 27 has been set for the opening.

Lindsay Opposes Repeal Of State Oleo Law

SACRAMENTO—(W.N.S.)—Assemblyman Francis Lindsay, representing this area, is on record as opposing repeal of state laws requiring home coloring of oleomargarine when he voted no on a motion to withdraw the Maloney bill from committee. The bill, which would permit coloring at the source, was withdrawn from committee by a vote of 48 to 20.

Kern County with an estimated population of 210,000 has 168 doctors.

Anderson is president, held a meeting and approved all the changes and are now seeking a suitable location for the library.

Will ring off for the week with my best to you all, as ever, Swanee

Fishing Improves Some, Fishermen Report, Despite Rough Water

TAHOE—So far as can be learned, A. E. Abbott of Kings Beach brought in the largest fish of the past week up to Monday night. His 12 1/4 pounder, 33 1/2 inches long, was caught with a Tahoe spoon and minnow along the shore of north Lake Tahoe.

Ralph Sturgis of Tahoe Park, sharing a boat with Oliver Henrikson Wednesday last week, brought in a nice eight pound German brown caught off shore near Tahoe Park. Numerous smaller catches are being taken every day from the government campground pier at Tahoe Park.

Mrs. Luda Gross, with of Waldo Gross, Lake Forest fishing guide, accompanied her husband on Friday and brought in two nice mackinaw, the largest around four pounds while her husband's pair found his largest 5 1/2 pounds. Gross, fishing with R. G. Betko of San Francisco, Saturday was back by noon, Betko taking the limit in mackinaw. Frank Alameda and Buzz Hunt of Sacramento accompanied Gross on Saturday afternoon, Hunt landing two mackinaw. On Monday, in spite of a stiff wind which finally blew the anglers off the lake, Gross and Tom Beale of Quincy brought in five nice fish in a short time.

At Shelley's Sportsman's Port near Tahoe Vista, wind and rough water kept fishing from being ideal but they are not preventing anglers from catching trout. Dick Shelley, who runs the boat concession there this season, reports wonderful luck, considering the handicaps. Recent successful fishermen include Andy Williams and party of Kings Beach, the largest six pounds; Jack Tarleton, Tahoe Vista.

Stolz Coffee Shop Opens May 14 at Tahoma

TAHOMA—Stolz Coffee Shop at Tahoma will open for the season on May 14. Mrs. May Stolz this week announced after her return to Tahoe from Salinas. Her son, Clifford, and his wife, Kitty, will be associated in the business this summer.

Daughter of Tahoeite Passes in Capital

Requiem High Mass was held in Sacramento last week for Mrs. Jean D. Powers, 43, former house keeper for Bishop Robert Armstrong, who passed away in the capital city May 4.

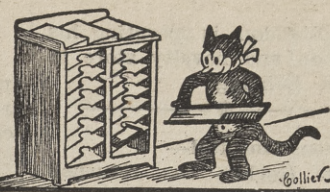

A resident of Sacramento for 20 years, Mrs. Powers is survived by her mother, Mrs. J. C. York of Lake Tahoe, and her children, Mrs. Joyce Sherman, Mrs. Eugene Steward, Patricia, Phyllis and John Powers.

Watermelons are more than 92 per cent water.

Tibetans drink an average of 30 to 50 cups of tea a day.

SCHOLASTIC GIFTS TO BE PRESENTED BY TRUCKEE P.T.A.

The Truckee Union Parents and Teachers Association will present awards for the highest scholastic achievement for the school year just closing to four pupils of the eighth grade of the Truckee School District and the entire Meadow Lake Union High School at the commencement exercises to be held at the Donner Theater on Wednesday evening, June 8.

Betty Parkhurst and Clarence Dunkelbarger will be presented with the gifts as outstanding students of the high school and Sharon Reynolds and William Currier will share the honor as pupils of the graduating eighth grade of the grammar school.

Curran Restates Need For Burning Permits
William Curran, fire control assistant for the Tahoe National Forest here, spoke at Tuesday night's meeting of the Truckee Volunteer Fire Department. He talked on cooperation of the two organizations during the current fire season to keep fire losses in the area to a minimum.

Curran also outlined forest regulations governing burnings of trash and emphasized that permission must be obtained from the local fire officials or the forest service for any such burning. If a screened incinerator is used, a season permit may be obtained but if open burning is done, new permits must be obtained each time. He pledged full aid in enforcement to the local department. Chief N. F. Dolley at the meeting.

Emerald Bay Highway Is Opened to Travel

Highway Superintendent T. T. Buell this week announced that the Emerald Bay road on the west side of Lake Tahoe is again open for travel after having been closed all winter by snow and slides. While the road is passable, Buell said, there is considerable rock on the north end only one-way passage is possible at the present, although crews are making repairs.

13 Lions Get Awards On Year's Attendance

Thirteen members of the Lions Club last night received awards for a 100 per cent attendance record during the past year. They were W. M. Englehart Sr., W. M. Englehart Jr., F. W. Gaiennie, R. N. Little, Ray A. Scott, B. W. Reynolds, Earl K. Stice, Roy Waters, Floyd Carnell, Stan Martin, Allan Pollitt, Charles Heller and N. F. Dolley.

Rufe Gregory called attention to the softball game between the Lions and 20-30 Club on June 3.

Art Rafael, pianist at Sarge's, entertained with a number of solos which were thoroughly enjoyed by the large audience. Stan Martin presided at the meeting.

Shots, Exams Slated May 20 for Children
On Friday, May 20, at 10 a.m. Dr. J. H. Bernard will give the second and final diphtheria toxoid for those who were to receive the full series. Any who missed the diphtheria booster toxoid or the smallpox vaccination may have them at that time. The vaccinations are 50 cents and the toxoid 25 cents.

After the immunizations are over, Dr. Bernard will do free physical examinations on preschool children who will be starting first grade in September. It is desirable that a parent accompany these children to the school. Vivian Berggren, county rural school nurse, said.

AS THE ARROWS FOUND THEIR MARK, DRAWING THE ATTENTION OF THE PANTHER FROM THE WOUNDED MAN-----

TARZAN GRASPED A TRAILING VINE AND FLASHED ACROSS THE STREAM.

DROPPING LIGHTLY TO THE GROUND, HE TURNED TO FACE THE WOUNDED BEAST. MINUTES LATER THE STRUGGLE WAS OVER.

"I'M PHILIP RANSOME," THE MAN MURMURED, "ATTACKED IN ASHANGOLA MOUNTAIN PASS--SAFARI WIPED OUT--"

"--I WAS LEFT FOR DEAD-- SAW ROUND OBJECTS ON LEDGE ABOVE PASS--"

"SEARCHING FOR DAUGHTER BARBARA ABDUCTED 15 YEARS AGO BY GALLA BANDITS--BELIEVE HER CAPTIVE AMONG RACE OF SPHERES CALLED 'ONONOES'."

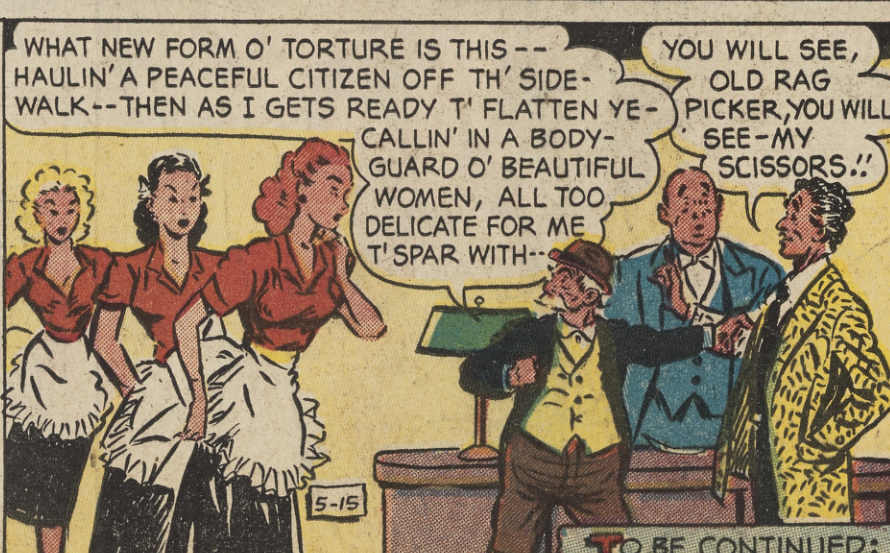

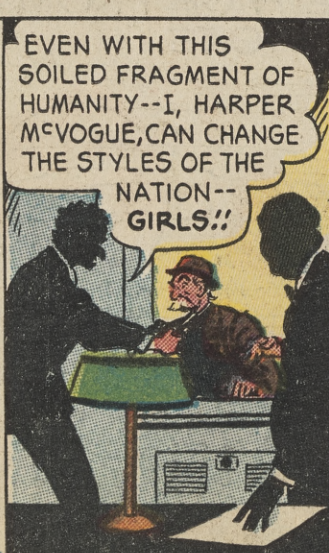

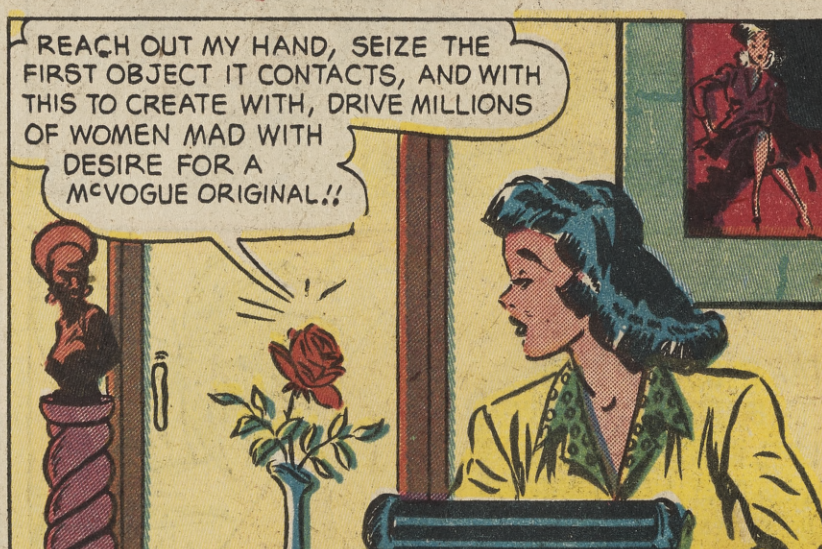

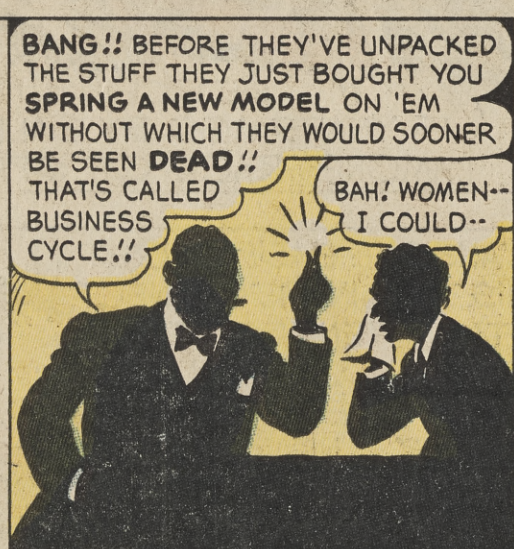

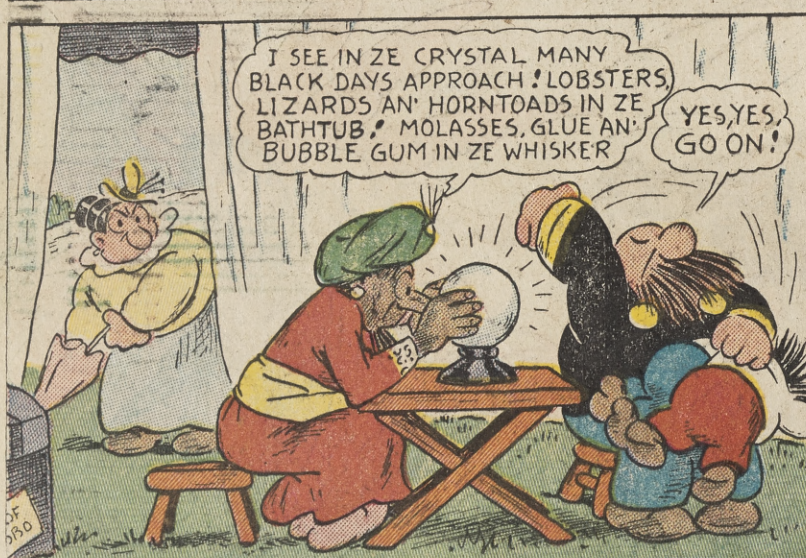

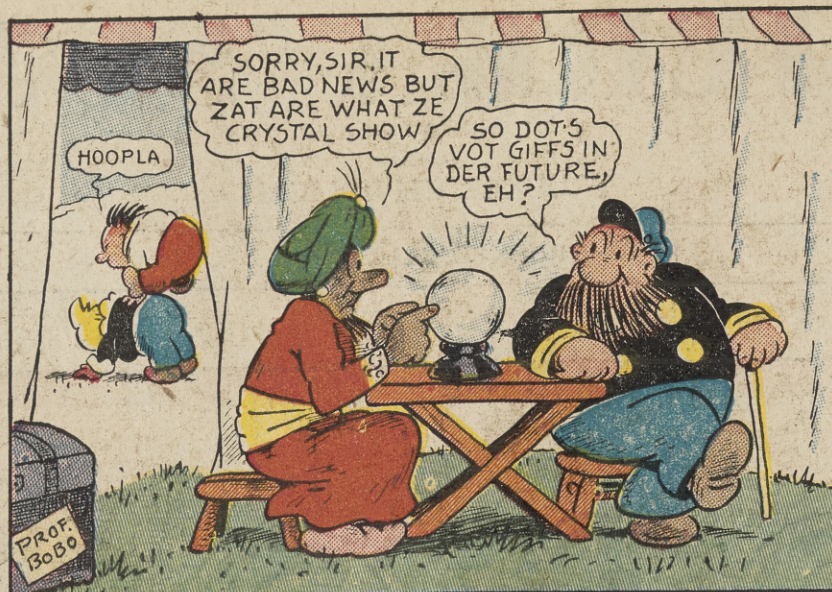

"TAKE LOCKET--BARBARA WORE DUPLICATE--YOU MUST FIND HER! WILL AND MONEY IN NAIROBI BANK----YOU MUST PROMISE TO FIND--"

RANSOME GASPED OUT HIS TALE IN DISCONNECTED SENTENCES. BEFORE TARZAN COULD LITTER A WORD--HE DIED. AND SO, UNDER A NEARBY CUT-BANK, TARZAN BURIED THE BODY OF PHILIP RANSOME MAKING IT SAFE FROM PROWLING CARNIVORE.
